6:30 pm March 26, 2013**

**I Call to order – 6:30 pm.**

**Prayer** Almighty God, grant us wisdom that we may remember as we work, that we are servants of our constituency and all our decisions should be in the best interests of the Town and its citizens, entirely unblemished by any thoughts of personal benefit. Bless us with tolerance and understanding for opinions differing from our own and help us keep an open mind in gathering information before voting on all issues. Help us overcome any ignorance of our duties and enable us to learn more of the intricacies of the roles we have assumed. May we rest assured to know You are with us and will guide us through all we do. Amen.

**RESOLUTION NO.**

**DATED: MARCH 26, 2013**

**OPPOSITION OF LEGISLATION A.689 SPEAKER SHELDON SILVER, ET AL**

**WHEREAS**, the Genesee County Board of Elections has expressed concern relative to the proposed Legislation A.689 offered by Speaker Sheldon Silver, et al that would require 5 polling sites throughout our County to be open 14 straight days from 8am until 7pm before each general election and 7 days before any primary election, and

**WHEREAS**, providing election inspectors for 14 straight days, including Saturdays and Sundays, and 7 days before each primary would put an additional cost burden to the Town taxpayers; and

**WHEREAS**, existing polling sites, which are extremely hard to acquire, would eliminate all schools, fireman's recreation halls and church halls because they are not available on Saturdays and Sundays, posing another added burden and expense; and

**WHEREAS**, the Genesee County Board of Elections has upgraded the polling sites to provide ample room for all voters to have adequate space to complete and cast their ballot within a reasonable period of time even during the recent Presidential Election with 70% voter turnout.

**NOW, THEREFORE, BE IT**

**Subject:** Resignation

I apologize for not getting this letter of resignation from the planning board to you sooner. I would like to resign mainly due to time issues and change in my priorities. I count it as a privilege to have served with great men and women from our community. I may one day decide to step out again and serve in either an elected role or appointed role however now is not the time.

I want to thank Gary and the rest of the board members for their great example to me and their support.

Thank you again,
