

**Town Board Meeting
Town of Bergen
July 23, 2013**

I Call to Order 7:00pm.

Prayer Almighty God, grant us wisdom that we may remember as we work, that we are servants of our constituency and all our decisions should be in the best interests of the Town and its citizens, entirely unblemished by any thoughts of personal benefit. Bless us with tolerance and understanding for opinions differing from our own and help us keep an open mind in gathering information before voting on all issues. Help us overcome any ignorance of our duties and enable us to learn more of the intricacies of the roles we have assumed. May we rest assured to know You are with us and will guide us through all we do. Amen.

The TIAA-CREF Enrollment Brochures for the New York State Voluntary Defined Contribution (VDC) Program are ready.

Dear New York State Agency Plan Administrator:

Resources are available by phone, face-to-face and online.

Your employees may reach us by phone at **866 662-7949** Monday through Friday, 8 a.m. to 10 p.m., and Saturday, 9 a.m. to 6 p.m. (ET).

We also maintain seven offices in New York conveniently located between Buffalo and Long Island.

And there's a dedicated website—www.tiaa-cref.org/nystate—where employees can enroll and manage their accounts.

You play a key role in helping your employees tackle a very important task: saving for retirement.

And while we've been helping people prepare for retirement for more than 90 years—and SUNY employees for almost 50 years—we're delighted to begin serving a wider group of New York State employees.

Please provide a copy of the enclosed TIAA-CREF enrollment brochure to each employee who is eligible to participate in the program. TIAA-CREF is committed to helping each of your employees pursue his or her definition of financial well-being.

The brochure provides information and step-by-step instructions for those who wish to sign up with TIAA-CREF. In addition, there is a dedicated website located at www.tiaa-cref.org/nystate where employees can find additional information about the VDC plan including the investment options and resources provided by TIAA-CREF.

Many people appreciate the flexibility and portability of a plan like the VDC Program. Participants like the option of receiving guaranteed income for life¹ (through a fixed annuity) as well as the potential to increase retirement savings by investing in variable annuities. Keep in mind that investing in variable products involves risk of loss of principal.

Remember, we've also set up an administrator phone center to answer any questions you may have.

Just call **888 984-0010**.

Sincerely,

Rosemary G. Markowski
Director, Relationship Management
