Town Board Meeting Town of Bergen October 10, 2017

Audit of the bills 6:45pm, Call to Order 7:00pm.

Prayer Almighty God, grant us wisdom that we may remember as we work, that we are servants of our constituency and all our decisions should be in the best interests of the Town and its citizens, entirely unblemished by any thoughts of personal benefit. Bless us with tolerance and understanding for opinions differing from our own and help us keep an open mind in gathering information before voting on all issues. Help us overcome any ignorance of our duties and enable us to learn more of the intricacies of the roles we have assumed. May we rest assured to know You are with us and will guide us through all we do. Amen. Pledge to the flag

1/1/2018 Excellus Health Insurance Renewal - Town of Bergen

Attachments:

Town of Bergen Comparison pdf

We have just received your 2018 medical renewal rates.

Attached is a spreadsheet displaying your <u>current Excellus plan(s)</u>, <u>renewal rates</u> and some other available options (MVP has not yet released their 2018 rates) for your **January 1st**, **2018** health insurance policy renewal.

- It will be ideal to have a decision by **10/15** so we can get started on appropriate paperwork. ALL groups are required to complete and return the *group information form (AGIF)* (which will be provided to you for completion following your renewal decision). The requested information allows Excellus to ensure that appropriate underwriting; rating, mandated benefits and claims payment guidelines are applied properly upon your renewal. Failure to complete an AGIF form may result in cancelation.
- This is the time to add employees who have waived coverage in the past.
- This is the only time you may change your group benefits during this contract year.
- The "copay" plans do not have deductibles. You are <u>not allowed</u> to contribute to an HSA when enrolled in these plans. The 'Hybrid" plan has a deductible but due to IRS guidelines these plans are <u>not eligible for HSA contributions</u>. The "HDHP" plans on the spreadsheets are high deductible health plans (HDHPs). You <u>may</u> be able to contribute pre-tax dollars* to a health savings account (HSA) when enrolled in these plans.
 - o All preventive services (as determined by the American Medical Association), including pre-natal visits, are covered in full (not subject to copay or deductible) for each of the plans on the spreadsheet.

Excellus Telemedicine powered by MDlive, is included on all plans

- Excellus plans include ExerciseRewards™ members receive up to \$600 a year towards qualified fitness facility dues and/or fitness classes, and Blue365™ discount program.
- In addition to traditional Employer Sponsored health plans, Bond also offers Individual health insurance plans through the NY State of Health. The cost of these plans is determined by an individual's total household income. Individuals may qualify for a tax-credit (reduced premium), if they are not offered affordable coverage through their employer. Generally speaking, if your single plan costs an employee more than 9.56% of their income, it may be unaffordable. Also, part-time employees that are not eligible for your health insurance plan may benefit from an Individual plan through the NYSOH. Bond has an NYSOH advocate available to speak to employees with questions.

Important information relating to compliance:

Once we have completed the renewal setup process, we will send you a basic compliance packet to distribute to employees. This packet will include: Summary of Benefits and Coverage (SBC) for each health plan offered, the current Notice of Coverage Options, the Notice to Employees about Health Insurance Marketplace/Exchange, and some additional mandatory notices as required by the Department of Labor (DOL). As a Bond client for health insurance broker services, there is **no charge** to you for this basic compliance packet.

Please note, the Department of Labor also requires Group Health plan sponsors to have a Welfare Benefit Plan with Summary Plan Description (SPD), and the Internal Revenue Service requires employers maintain a Section 125 document if benefits are paid on a pre-tax basis*. The S125 plan should be tested annually for non-discrimination. The Affordable Care Act has escalated DOL/IRS compliance enforcement. Neither a Welfare Benefits Plan nor a Section 125 plan are part of Bond's basic compliance packet, but can be provided as an additional service by our sister company, EB Compliance.

Please do not hesitate to contact me with any questions.

Dear Supervisor Cunningham:

Re: Ineligible Application

NYS CDBG CFA # 75127

The Office of Community Renewal (OCR) is in receipt of a letter dated September 12, 2017 from the Town, regarding the OCR ineligible determination of CFA application 75127.

The information provided by the Town has been reviewed by the OCR in consultation with the New York State Homes and Community Renewal (HCR) Office of Legal Affairs. The OCR has determined that the Town of Bergen has not provided sufficient documentation that adequately demonstrates compliance with the CDBG Citizen Participation requirements at 24CFR570.486(a)(5) and New York Open Meetings Law Section 104. Unfortunately, the prior determination of Ineligible for this application shall stand.

The OCR looks forward to working with the Town of Bergen in developing future applications for upcoming funding opportunities and is available for technical assistance.

Sincerely.
