February 2023

Dear Bergen WIBA 1 property owner,

The Town of Bergen Water Improvement Benefit Area (WIBA) No. 1 Project has been substantially completed by both Morsch Pipeline, Inc. (Contract A) and Fineline Pipeline, Inc. (Contract B). Water main and water services have been installed and the Monroe County Water Authority (MCWA) has placed the entire Bergen WIBA No. 1 in service and is providing water to all who have signed-up. In order to activate your water service contact the MCWA as follows:

Virginia Smith at (585) 442-2001 x 229 or Virginia.Smith@mcwa.com or
Mary Johns at (585) 442-2001 x 407 or Mary.Johns@mcwa.com

As the weather improves in late Spring 2023, both Contractors will return to complete restoration of yards and driveways. This may include rockhounding, grading, paving and seeding. If there are any items of concern relating to settlement of driveways or restorations of yards, please contact:

Scott D. Mattison, P.E. of the MRB Group at (585) 381-9250 (office) or
by email at Scott.Mattison@mrbgroup.com

This public water project has been a tremendous undertaking for the Town of Bergen. Without a \$3.6 million dollar grant and a loan interest loan, this \$10.5 million project would not have been affordable to property owners. We are appreciative of the patience of residents during the long process. It is satisfying to know that Bergen residents who were in desperate need of a safe, adequate water supply now have it. And for those who simply wanted the convenience of public water, we are glad that it is now available to you.

The Town still has many months of paperwork and compliance tasks before this project is officially closed out, but the most important part is now behind us. Thank you again for your patience and support.

Sincerely,

Ernest Haywood, Supervisor
